

OLH Parish Scholarship/Financial Assistance Application

This form is to be signed and filed with St. Brigid School. Please note, preschool and pre-k programs are not eligible to apply for parish assistance.

Deadline for applying is March 1, 2023.

I, (we) understand that the Our Lady of Hope Scholarship or Financial Assistance will be based on the following conditions being met:

- A family is registered with OLH parish for at least one year prior to applying.
- A family attends weekend Mass on a regular basis (at least 3 times each month)
- A family supports the parish financially on a regular basis through the weekly collection or Weshare at a level that is just and appropriate for their means.

The objective measure for attendance is the use of the parish budget envelopes. If a family uses electronic offertory payments, they will still be required to deposit collection envelopes or personal e-offertory cards into the offertory basket at Mass. If one places multiple weeks of envelopes in the same week, they will only count as participation in one Mass.

I (we) are applying for the \$750 OLH Parish Scholarship

I (we) are applying for additional financial assistance in an amount up to \$700 from OLH Parish based on financial need.
